

2013' Special Theme: Looking into the Future of Creativity and Decision Support Systems

KICSS'2013 will cover all aspects of knowledge management, knowledge engineering, intelligent decision support and information systems, creativity in an information technology context, including its cognitive and collaborative aspects. Over 50 papers reporting original unpublished research results on theoretical foundations, IT implementations, as well as case studies of successful applications in various fields will be presented.

The list of conference topics includes but is not limited to:

- Anticipatory networks, systems, and decisions
- Autonomous creative systems
- Cognitive and psychological issues in creativity research
- Cognitive foundations of knowledge
- Collaborative idea generation and creativity
- Collaborative knowledge creation
- Collaborative working environments fostering creativity
- Complex system modelling
- Computer-aided creativity
- Creativity support systems
- Decision sciences
- Decision support systems
- Foresight Support Systems (FSS)
- Game-theoretical aspects of knowledge
- General Creative Systems (GCS)
- Information fusion
- Knowledge extraction, creation, and acquisition
- Knowledge in multi-agent systems
- Knowledge integration
- Knowledge representation and reasoning
- Living Lab Support Systems
- Non-monotonic reasoning
- Ontology creation and management
- Organizational learning
- Reasoning about knowledge
- Uncertainty modelling
- Web intelligence tools

Further topics can be found on the website www.kicss2013.ipbf.eu/call-for-papers

Organizers

Technical Sponsors

Committee Chairs

Andrzej M.J. Skulimowski, President of P&BF, AGH University of S&T, General Chair
Susumu Kunifuji, V-ce President of JAIST, Program Co-chair
Thanaruk Theeramunkong, Thammasat University, PhD Award Chair
The full list of Program Committee Members can be found on www.kicss2013.ipbf.eu/conference-chairs

Proceedings

All accepted papers will appear in the KICSS'2013 Proceedings (Documentation Volume), ISBN 978-83-912831-8-9 to be published by the Progress & Business Publishers.

The KICSS'2013 Post-Proceedings containing selected revised papers will be published in the Springer Series: Advances in Intelligent Systems and Computing.

The industrial and demo poster papers can still be submitted via EasyChair at: <https://www.easychair.org/conferences/?conf=kicss2013>
Deadline: October 9, 2013

Registration

The participants can register at: <http://www.kicss2013.ipbf.eu/registration>

Registration Deadline:	October 9, 2013
Registration Fee	560 EUR
Student Registration Fee	420 EUR
